## SKILLS

---

- **Frameworks:** HTML and CSS, Bootstrap
- **Tools/Platforms:** Figma, Adobe XD, Canva, WonderShare Mockitt Tool

## INTERNSHIP

---

- **Square Yards** Jul 2022- Dec 2022  
*Business Developer Intern*
  - **About:** As a Business Development Executive intern at Square Yards, you will engage in market research, identify new business opportunities, and assist in client acquisition. Gain hands-on experience in sales strategies, customer relationship management, and real estate market analysis. Enhance your skills in a dynamic and growth-oriented environment.
- **SACRED** Jul 2024- Oct 2024  
*Web Developer and Digital Marketing*
  - **About:** In this internship at Sacred, I focus on website design, development, hosting management, and digital marketing. This role enhances my skills in creating websites, boosting online visibility, and engaging audiences, offering a dynamic environment for growth in web development and marketing.

## PROJECTS

---

- **Portfolio Design – UI/UX Development** Jun' 2024  
Design your personal portfolio website with Figma, a robust and intuitive design tool. Showcase your projects, skills, and achievements with customizable templates, interactive prototypes, responsive layouts, seamless navigation, and engaging visuals. Elevate your online presence and attract potential clients or employers.  
**Tech:** Figma, Canva
- **College Carve – UI/UX Development** May' 2024  
Design a sleek pre-order food app in Figma, featuring intuitive UI, streamlined navigation, customizable menu options, real-time order tracking, secure payment integration, and personalized user profiles. Optimize for seamless user experience and efficient backend management.  
**Tech:** Figma, Canva
- **Dream Ride Website and Mobile App – UI/UX Web Development** Nov' 2023  
I developed a car rental service website utilizing WIX and integrated it with Google SEO. The results involved examining and comprehending user behavior and preferences specific to car rental services, focusing on aspects such as trip planning, vehicle choice, and booking procedures.  
**Tech:** HTML, CSS, WIX platform, Wonder share Mockitt tool, Google SEO
